SUMMARY

Graphic designer since 2020 (5+ years), first on community event campaigns, then static ads for brands. At Armada Brands, designed static ads for Goodies Nutrition gummies, concepted the 7.7 key visual with the Creative Manager's guidance, and reworked a sensitive supplement label for TikTok's guidelines. Also writes ad copy and builds ad templates and size variants in code (BS Computer Science, cum laude).

SKILLS

- **Design:** Adobe Photoshop (compositing, product retouching, cutouts, shadows), Adobe Illustrator, Figma, typography, layout
- **Ads and marketing:** static ads and social posts, Instagram carousels, reels (shooting, editing, on camera), campaign key visuals, resizing ads for every aspect ratio, marketplace assets (Shopee, Lazada, TikTok), Google Performance Max assets, ad copywriting in English, TikTok guidelines for sensitive supplement labels
- **Web:** HTML, CSS, TypeScript, React, Next.js, Shopify Liquid

EXPERIENCE

Armada Brands | Creatives and Marketing Intern | Makati City — Jun 2024 – Sep 2024

- Designed 20 static ads and social posts for Goodies Nutrition apple cider vinegar gummies in the first week, then revised them on the creative team's feedback.
- Concepted and designed the Goodies Nutrition 7.7 key visual with guidance from Creative Manager Nate Nati, and adapted it to each platform's aspect ratios for the month-long sale; reviewed the sale's traffic and click-through results with the team.
- Reworked the apple cider vinegar product page graphics so the sensitive label fit TikTok's strict guidelines, testing crop, blur and overlay treatments.
- Designed five Google Performance Max ads and revised them after review with the Creative Manager.
- Retouched Floofa bag photos for Shopee, Lazada and TikTok listings (cutouts, crease fixes, shadows); designed NuPrene's 8.8 sale and new-color teaser posts.
- Worked on seven reels for NuPrene's Instagram (Jul to Sep 2024): concepted, shot and edited the 8.8 sale reel and a Lucca teaser, shot a phone-only launch video, co-edited a teaser and modeled in product reels.
- Presented product page UX and SEO fixes for the NuPrene site to the CCO, then moved into Shopify Liquid theme and page layout work.
- Won the Outstanding Intern Award (2025), the College of Engineering and Technology's top intern award across all programs, for this internship.

Freelance Designer and Developer | Remote — Jun 2025 – Present

- Made two paid health-education Instagram carousels for a fitness coach (Apr 2026) and pitched website redesigns to BAD LAB and Good Virtues Co., two brands sold at Watsons Malaysia (Oct 2026); also web design, SEO and video work.
- Designed and built a live queue and court-timer app for Haff Leisure Club, and Instagram share cards for a pickleball club app (pre-launch) so players can post their games.

VOLUNTEER EXPERIENCE

GDG Bacolod | Creatives Co-head | Bacolod City — Nov 2022 – Jul 2025

- Designed the main visuals and 3D motion graphics for DevFest Bacolod 2023 (800+ attendees) and hosted day one.

DEVCON Bacolod | Acting President, Chapter Lead | Bacolod City — 2023 – 2024

- Led CIPHER, the chapter's AI series, and designed the event campaign, including speaker cards and an inter-school attendance leaderboard.

GDG on Campus, University of St. La Salle | Lead and Organizer — Aug 2022 – Jun 2025

- As Organizer (2024 to 2025), led 40 officers and grew members from 500 to 1,500+ in 5 months; as GDSC Lead (2022 to 2023), ran 30+ events for 5,000+ people.

SELECTED DESIGN WORK

The Capitol event identity, La Vida 2025 branding, DEVCON Bacolod campaign, Google Awards 2023 and a photo manipulation series, all on behance.net/gianaiboboyero. Portfolio PDF attached.

EDUCATION

Bachelor of Science in Computer Science | University of St. La Salle, Bacolod City — Aug 2021 – Jun 2025

- Cum Laude, GWA 1.3 (97%); Rank 1 of 7,042 students across all colleges in first year
